

D410B

'Minigloss' Portable Glossmeter

'Minigloss' Portable Glossmeter. With 60° geometry, ideal for use in all situations on or off site. Auto-calibration is included and the Minigloss may be calibrated to other reference pieces if required. Its solid machined body and steel case ensure a rugged, reliable instrument. The backlit display enables use in poorly lit areas. Digital push button calibration, rechargeable batteries with charger, supplied with calibration tile and carrying case.
